Case No. 2:23-cv-01183-CDS-DJA

Order Granting in Part Plaintiff's Motion to
Extend Time to File Response

[ECF No. 33]

8
9 In his second request for an extension of time, plaintiff Robert Lonnell Smith, Jr. seeks an
10 additional 120 days to file a response to defendants Darin Balaam, M. Kester, P. Sewell, and
11 Washoe County's motion to dismiss¹. Mot., ECF No. 33. Smith seeks another extension because
12 the statewide prison lockdowns prohibit his access to all institutional departments, including
13 the law library. *Id.* Smith was previously granted an additional thirty days, which moved the
14 response deadline from September 17, 2024, to October 17, 2024. Order, ECF No. 31. Therefore,
15 Smith's motion [ECF No. 33] is **granted in part**. Smith is granted 70 days to file any opposition
16 to the motion to dismiss; the deadline is extended to November 27, 2024. The reply is due by
17 December 4, 2024.

18 The court notes that Smith also filed a motion to amend the complaint. ECF No. 35. If
19 that motion is granted before the 70-day extension runs, it will moot the pending motion to
20 dismiss.
